(collectively, the "Debtors") in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") have been prepared pursuant to section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the "Bankruptcy Code"), and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") by management of the Debtors with the assistance of their court-appointed advisors and are unaudited.

Although management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist. Because the Schedules and Statements contain unaudited information, which is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 11 cases (the "Chapter 11 Cases"), including, but not limited to, issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. This Statement of Limitations, Methodology and Disclaimer Regarding the Debtors' Schedules and Statements (the "Statement of Limitations") is incorporated by reference in, and comprises an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

Agreements Subject to Confidentiality. There may be instances within the Schedules and Statements where certain information has intentionally been revised and/or redacted due to concerns about the confidential or commercially sensitive nature of certain information or concerns for the privacy of an individual. The revisions will be limited to only what is necessary to protect the Debtors or third party and will provide interested parties with sufficient information to discern the nature of the listing.

Amendment. Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements as is necessary and appropriate.

Causes of Action. Despite their reasonable efforts to identify all known assets, the Debtors may not have set forth all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action or avoidance actions they may have and neither this Statement of Limitations nor the Schedules and Statements shall be deemed a waiver of any such claim, causes of action or avoidance action or in any way prejudice or impair the assertion of such claims.

Claims Designations. Any failure to designate a claim on the Debtors' Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated." The Debtors reserve the right to dispute any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated."

Net Book Value of Assets. Unless otherwise indicated, the Debtors' assets and liabilities are shown on the basis of its net book value rather than current market values. As a result, amounts ultimately realized may vary from net book value and such variance may be material. Exceptions to this include cash in financial accounts. Certain other assets, such as investments in subsidiaries, may be listed at undetermined amounts as the net book values may materially differ from fair market values. Attempts to obtain current market valuations of assets would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets and, as a result, have not been attempted in connection with the preparation of the Schedules and Statements.

Excluded Assets and Liabilities. The Debtors may have excluded certain categories of assets and liabilities from the Schedules and Statements, such as goodwill and deferred gains. Other immaterial assets and liabilities may also have been excluded.

Foreign Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars. Transactions denominated in foreign currency have been converted to U.S. dollars as of the applicable date of the transaction.

Insiders. The Debtors have included all payments made over the 12 months preceding the Petition Date to any individual deemed an "insider." Insiders are defined as individuals who served as either officers or directors of any of the Debtors in the 12 months immediately preceding the commencement of the Chapter 11 Cases.

Totals. All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the tables.
